55 KILLED IN PLANE CRASH IN NILE DELTA

Trans-World Constellation From Bombay to Rome Burns After Falling

23 ARE AMERICANS

Cairo, Aug. 31—(P)—Fifty-five persons, 23 of them Americans, were believed to have perished today in the crash of a Trans-World Constellation plane in the Nile delta area 40 miles north of Cairo.

The plane—the Star of Maryland—en route from Bombay to Rome—burned after it crashed, observers said. Five of the seven-man crew and 18 of the passengers were Americans. These included an oil company executive and the son of an American embassy official.

An Egyptian movie star was also aboard, as well as two Indians bound to the United Nations at Lake Success.

Another passenger aboard the plane was William C. Gist, son of Justice Gist, general service officer at the American embassy in Cairo.

TWA said other passengers included Francis Pope, a TWA pilot, his wife, Helanita and two children, Mary Louise and Paul F. They were believed to be on vacation tour. Their homes addresses were not given.

A TWA spokesman said a search plane which sighted the wreckage reported the plane was completely burned and there was no indication of any survivors.

TWA said among the passengers on the plane was William Schofield, general manager of the Kuwait Oil Company.

TWA also reported that the Egyptian film star Camelia was aboard the plane. Camelia is the film name of Lillian Cohen.

The plane left Cairo for Rome (Turn to Page Fifteen)

Scout Executive

Dr. Carl E. Whipple, president of the Warren County Council, Boy Scouts of America, announces the hiring of E. Rutledge Sanford, of Harrisburg, as the new Scout Executive of Warren County Council.

Mr. Sanford, known as "Rut" to his friends, will assume his duties on October 1st. He comes to Warren County Council with a wealth of experience in both rural and urban scouting in the Keystone Area Council, Boy Scouts of America with offices in Harrisburg.

Before entering the professional service of Scouting in 1945, Mr. Sanford was an experimental engineer in the steel industry. He was also a Scout and a Scoutmaster. He graduated from Gettysburg College in 1940 with a B. A. degree, and took additional graduate work at Pennsylvania State College in 1942 and 1943. He is a member of the Sigma Chi National Social Fraternity.

BILL TO CURB INFLATION IN FINAL DETAILS

Washington, Aug. 31—(P)—A senate-house conference committee hoped to work out final details of a broad anti-inflation bill today and speed it to President Truman before his talk to the nation tomorrow night.

The legislation would arm the president with even more powers than he asked to gear the nation's economy to the Korean fighting and an expanded military program.

Mr. Truman is expected to outline in his "fireside chat" just what the people can expect in the way of home-front mobilization.

He sent word to congress yesterday, even while the conference committee was trying to hammer out an agreement on the economic controls measure, that he would need \$60,000,000 to begin with for administration of the powers the legislation would give him.

In advance of another meeting of the conferees this morning Senator Maybank (D-SC) said they had agreed to settle by noon the remaining differences between separate anti-inflation bills passed by the house and the senate.

This would allow time for the house and then the senate to stamp final approval on the compromise Friday unless opposition should develop in the senate, Maybank said.

Under house rules debate on a conference committee report is limited to one hour but in the senate it can run on and on.

Senator Wherry (R-Nebr) told reporters he certainly will have something to say about the conference committee's decision to allow President Truman authority to invoke price and wage controls on a selective basis.

With Senator Bricker (R-Ohio), he sponsored a senate amendment which would have required wage-price controls to be clamped on simultaneously and on practically everything if Mr. Truman put them on anything.

The conference committee stripped the Bricker-Wherry amendment (Turn to Page Fifteen)

Company I Members Entertained At Dinner and Party

Sedition Charges Are Filed Against Trio In Allegheny

Pittsburgh, Aug. 31—(P)—The top Communist in Western Pennsylvania and two men identified by his aides were arrested today on sedition charges filed by an Allegheny county judge.

City detectives arrested Steve Nelson, chairman of the Communist party of Pennsylvania; Andrew Onda, and James Dolson, all of Pittsburgh.

The charges were filed by Michael A. Musmanno, Democratic candidate for lieutenant governor of Pennsylvania, who has been waging a spirited campaign against Communism.

All three men have been identified as Communists by Matthew Cretic, Pittsburgh man who posed as a Communist for nine years while on the payroll of the FBI. He named the men as Communists while testifying before the House Un-American Activities Committee.

None of the arrested men offered any resistance when roused from bed by detectives before dawn. They were lodged in the county jail to await a hearing later today.

Cretic has accused Nelson of being an atomic spy on the west coast.

Musmanno recently demanded that Nelson, Onda, Dolson and eight other persons identified as (Turn to Page Fifteen)

Members of Company I under command of Lieut. Robert W. Greer, scheduled for induction into Federal service next Tuesday evening at the State Armory were guests at a delightful get-together dinner and party last evening at 7:30 at the American Legion home.

The unit marched from the Armory to the Legion Home over a fine starting from the corner of Hickory street and Fourth avenue, east on Fourth to Market, south to Pennsylvania avenue, and west to the club house. The formation was led by Legion members carrying the colors, followed by the High School band playing stirring marches, members of the committee and delegation of Legion members.

At the Home the Guardsmen were marched almost in formation to the dining room where places were set for a swiss steak dinner, provided for the occasion free of charge through the courtesy of the Lewis Catering Service. The menu consisted of steak, mashed potatoes and gravy, cabbage salad, peas, rolls, pickles, olives, celery, apple pie with ice cream, and coffee. The serving was by volunteers from the American Legion Auxiliary.

Willis C. Lundahl, installed commander, at the last meeting, welcomed the Guardsmen on behalf of the Legion before the service started. Following the meal Jack Barr, as chairman of the committee in charge, outlined briefly the program for the evening, including a floor show, and introduced Ed Lowrey, who extended greetings and best wishes on behalf of the Times-Mirror publisher and staff.

Lieut. Greer, on behalf of himself, officers and men of the Company spoke feelingly in expressing sincere appreciation to the Legion, Auxiliary members and all others who helped to make the affair such an enjoyable success.

American Forces Reopen Road North From Threatened Port City Along the Sea of Japan

Korean Warfronts: Tanks, planes and naval shelling help U. N. forces stop 26,000 Reds driving on Pohang. Push held a mile and a half outside city. American tanks reported rolling four miles north of Pohang. Red drive at Kygye stopped by South Koreans. Americans attack on Nakdong river and southern fronts. Big guns open up on eight Red tanks moving eastward in Taegu sector.

Tokyo: Allied intelligence says Pohang drive apparently signaled opening of supreme Red effort to break U. N. defenses. Breakthrough might have heralded general offensive by 150,000 Reds ringing 120-mile battle perimeter. Australian troops land en route to Korean battlefield.

Air War: Fleet of 90 B-29s smash at targets in North Korea, plaster Chinnampo, Pyongyang's port, with 600 tons of bombs. B-29s, light bombers and fighters hit bridges in Seoul area, report all spans knocked out. Fighters and fighter bombers smash hard at Reds in support of Americans and South Koreans on battlefield.

Lake Success: Soviet Delegate Malik reads new propaganda blasts at U. S. in his last day as president of United Nations Security Council.

Tokyo, Friday, Sept. 1—(P)—U. S. tanks and troops stopped a Korean Red attack on Pohang Thursday, and General MacArthur's war summary early today said Allied forces had advanced within 500 yards of the point where the enemy attacked towards that east coast port Aug. 30.

The Reds were still firing artillery and mortars in the area of ravaged Kygye, nine miles northwest of Pohang.

In face of light fire, the Americans reopened the road north from the threatened port on the Sea of Japan.

They moved from three to four miles north of the city beyond the spot where an enemy "roadblock" Thursday had made it impassable. The Reds had missed their target deadline—last midnight—for driving the United Nations forces out of Korea. It was set by Red Premier Kim Il Sung.

Deep on the south coast at the other end of the 120-mile long battleline, South Korean marines reported the capture of large amounts of enemy material and the killing of 500 Reds in two weeks.

The Pohang action high-lighted the Thursday activities on the war-front.

Allied planes continued to hammer targets with a fury that gradually was eliminating Communist rolling stock, including plants, ammunition dumps and material stockpiles.

The North Koreans were reported losing 1,000 men a day in the drive on Pohang mounted by 26,000 men.

The Air Force estimated it killed 1,200 North Koreans in strafing and bombing attacks on the frontlines at Pohang. Seven hundred Red dead were counted in one sector and 500 more in another.

600 Tons of Bombs Are Dropped Upon Strategic Targets

Tokyo, Aug. 31—(P)—More than 90 B-29s spewed over 800 tons of bombs on strategic targets in Korea today.

Of the total load, 600 tons were dropped on industrial installations at Chinnampo, port of Pyongyang, North Korean capital. Both cities were targets of raiding planes from carriers yesterday.

The Air Force announced the B-29s took precautions not to hit (Turn to Page Fifteen)

Rejection of Price Supports By State Growers Means Cheaper Spuds This Fall

Harrisburg, Aug. 31—(P)—Rejection of federal price supports by Pennsylvania's potato growers brought a prediction today that consumers will have cheaper potatoes this year.

Clyde A. Zehner, chairman of the U. S. Agriculture Department's Pennsylvania production and marketing committee, said wholesale prices probably will range down to 75 cents a bushel.

And another source at the committee's office here said the flush period between Oct. 15 and Nov. 1 could see prices as low as 50 cents a bushel.

In 1949, price-supported potatoes ran about \$1.20 a bushel. The average market price without federal subsidies to farmers was 81 cents a bushel.

The U. S. Agriculture Department at Washington said that controls for the 1950 crop in Pennsylvania were opposed by 1,091 producers, representing 78.8 per cent of those voting. Another 293 potato growers rejected price supports.

There are about 8,000 potato growers in Pennsylvania, with about 5,200 of them rated as commercial growers—those with potato plots of four acres or more.

Under the Agricultural Marketing Act at least two-thirds of the (Turn to Page Fifteen)

Summer Vacation Nearing An End For 1,886,000 Children in Pennsylvania

Harrisburg, Aug. 31—(P)—School houses across Pennsylvania will open next Tuesday as the three-month summer vacations comes to an end for the state's 1,886,000 school children.

By Ken Reynolds

"This secretary should be capable—her answer to our Times-Mirror Want Ad is sealed with a kiss!"

The day after labor day is the traditional time for the school bells to ring each fall although a few districts, mainly in the rural sections, have opened this week.

The 1950-51 enrollment figures are based on the estimates of Dr. Carl D. Mornewick, chief of child accounting and research in the department of public instruction. The estimate represents an increase of 20,000 over last year despite an "off year" in births.

The commonwealth's public schools, with an expected enrollment of 1,892,000 will absorb 16,000 of the increase. The rest of the increase will be handled by private schools.

"However, these estimates are based on peacetime conditions," Dr. Mornewick said. "A war would knock them down completely."

Dr. Mornewick's estimates, which have been fairly accurate (Turn to Page Fifteen)

Hot Stove Baseball League Picnic Last Night At Beaty Field Enjoyed By 600 Youngsters

CHOW TIME—This is just one of the serving lines set up by Lewis Catering Service at Beaty field last night to handle the more than 600 youngsters who turned out for a big Hot Stove Baseball League picnic. McIntosh Studio Photo)

there was more than enough for all.

D. W. Lewis, who operates the catering service and is one of the most enthusiastic supporters of the Hot Stove program, provided the picnic free of charge, and he and his staff did a wonderful job in handling the chow lines for the big group of youngsters.

Many Hot Stove leaders and team handlers also were on hand to help serve the meal, direct traffic, and clean up the area after the party was over. Persons who stopped by Beaty field to see what was going on commented on the orderly manner in which the youngsters handled themselves.

On the menu for the picnic were thousands of hot dogs, many tubs of corn on the cob, big pans of baked beans, case after case of milk and a truckload of ice cream packed in dixie cups. The boys went to the serving tables as often as they chose—or were able—and the number of hot dogs and ears of corn consumed individually and as a group—is almost unbelievable.

When the picnic was over, all of the paper plates, corn cobs, empty ice cream containers and other rubbish was assembled into large piles, and a driver from Valentine Disposal Service made a special trip to the field to haul away the debris.

POTTSTOWN BARBER FOUND MURDERED

Pottstown, Aug. 31—(P)—A 65-year-old retired barber was found slain on a sidewalk last night and police immediately arrested a young man and charged him with homicide.

The barber, Frank Tyce, was found dead with a deep gash over his right eye.

Police arrested Edward Eckenrode, 23, of Pottstown, on the basis of information given them by John S. Mace, a companion of the dead man. Eckenrode was placed in a city hall cell.

Johnson Invites Critics Who Want Him To Resign To Complain To President

Washington, Aug. 31—(P)—Louis Johnson says that from now on anyone who wants him to resign as secretary of defense should take his complaints to President Truman.

And that goes for critics of Secretary of State Acheson as well, Johnson told a congressional audience who urged him to step out.

Releasing his reply to the house member, Rep. Tauriello (D-N. Y.), Johnson broadened the audience for a defense of his stewardship to include "many American people" who have "been misled by misinformation" about the defense department.

At about the time he was giving newsmen copies of his letter yesterday, the Veterans of Foreign Wars encampment in Chicago called on Mr. Truman to replace both Johnson and Acheson. Johnson, a veteran of the First World War, is a former national commander of the American Legion.

That the secretary should defend his own regime was not unexpected. He has done so before. But he gave added emphasis to his statement by blanketing in Acheson as a target of what he declared are politically-inspired attacks.

The State and Defense Departments have frequently been reported at odds on high policy issues.

President Truman recently told a news conference that both Acheson and Johnson will remain in the cabinet as long as he is in office.

In his letter to Tauriello, Johnson blamed the coming congressional elections for many of the attacks on him and Acheson.

Kosciorek was using a blow torch to soften tar when the hose from the torch with fuel burst and sprayed him with flaming fluid. He was burned over most of his body.

Farrell, Aug. 31—(P)—Leo E. Kosciorek, 39, father of seven, died in the Sharon General hospital yesterday of burns suffered Tuesday when his clothes caught fire while he was applying tar to the roof of the Farrell gasoline station he operated.

Large Enrollment Reports First Day at Youngsville Schools

Youngsville, Aug. 30—Youngsville public school opened Tuesday, Aug. 29th with a good attendance. The enrollment the first day in elementary school was as follows: kindergarten 28, 1st grade 44, 2nd grade 41, 3rd grade 41, 4th grade 35, 5th grade 37, and 6th grade 30. In the Junior high school and the Senior high school the enrollment figures for the first day was as follows: 7th grade 32, 8th grade 37, 9th grade 71, 10th grade 72, 11th grade 49 and 12th (Senior) grade 48.

There are now 27 members in the school faculty with Paul R. Pettis as supervising principal and C. C. Stuhlings, high school principal. Donna E. Eury will be in charge of the kindergarten, which is an innovation for the Youngsville school. Other elementary teachers are Minnie Hanson, 1st grade; Charlotte Albright, 2nd grade; Vivian Smith, grades 3 and 4; Arlene L. Loo, grade 5; Berdina Lay, grade 6; Vivian E. Linborg, grade 7; and Marge M. Finlan, grade 8.

In the sport department of the high school, with Coach Frank J. Kamus, the football schedule has been announced as follows: Sept. 15th—Youngsville will play Corry at Corry. St. Bernard will play here Sept. 22nd and for the game Sept. 30, Kane will be the visiting team here Oct. 7th. Sheffield will be the visiting team in Youngsville; Oct. 14th, Youngsville will play Smethport at Smethport; Oct. 21st will be a home game with St. Mary's; Oct. 28th, Youngsville team will journey to Cambridge Springs for a game and will also be away for the Johnsonburg game on Nov. 3rd.

Concert Presented By Sheffield Band Is Well Attended

Sheffield, Aug. 30—About 1,000 persons were on hand last night for the Sheffield Civic Association band concert held on Memorial Playground as the feature of the second night of the Old Home Week celebration.

The concert, directed by Loren Wright, music supervisor of the Sheffield township schools, was well-received by the large audience.

The following selections were played: "United Nations March" and "Coast Guard March," both by King; "Lusha Overture" by Holmes; "Salutation," Seitz; "Success" and the "Maybell Waltz," both by Bennett; "Steel King," St. Clair; "Indiana State Band," R. Farrar; "Havana," a Cuban serenade, and "Headway," both by Bennett.

Dorothy Engstrom's orchestra, Warren, has been secured by George Morley and committee for the street dance planned for tonight at 9:30 o'clock until midnight. A small charge will be made per couple for each set of dances.

Both round and square dancing will be featured at the street dance to be held on Horton avenue between Center and Whipple streets.

Tonight will be the third night in the week-long celebration being sponsored by the local Veterans of Foreign Wars. A carnival is being held in conjunction with the various activities on the Chamber of Commerce plot of ground near the playground.

Loren Wright asks that all Sheffield high school band members report at the high school at 7 p. m. Thursday night to be issued uniforms. The band will participate in the Old Home Week celebration parade on Friday night.

The name Mexico is derived from the Aztec word "Mexitli," title of their national war god. No point in Bannock County, Idaho, is lower than 4200 feet above sea level.

PENNSYLVANIA GAS COMPANY

HERE'S WHY it is necessary to regulate and control the use of GAS for SPACE HEATING

The use of GAS for Space Heating imposes peak loads on the Gas company which are more than 10 times the normal demands. Should protracted periods of cold weather come in the 1950-1951 heating season the use of GAS brought about by additional heating customers might become extremely difficult (or even impossible) to meet. Much extra gas has been and will be bought and stored for this winter's needs but transmission and distribution lines have their limitations, too. That's why regulations and controls must be in effect to help govern winter peak loads. That's why it is necessary that every new gas heating customer have a written permit from the Gas company before using gas space heating equipment. Pennsylvania Gas is continuously expanding its facilities to care for the peak loads caused by space heating but must of necessity and in fairness to customers already being served tell prospective users that a written permit must be obtained from Pennsylvania Gas Company for the use of new or additional gas space heating equipment.

SECOND GUESSING ON KOREA

If you think you've already read too much about the Korean war, just wait. Election campaigns are shaping up, and the war is sure to be the chief topic in the platform haranguing to come.

Domestic issues will be strictly in the after-thought category this fall. Even the candidates for sheriff will stress Korea in some sections. Maybe that's inevitable when a war is called a police action.

Anyhow, that's how it's going to be. For the next two months this country is going to have more foreign affairs experts than any 20 nations would need. They'll all be out to prove either that they were right about Korea or that, if they were wrong, the mistake was unavoidable.

By mid-October most of us will probably wish Korea was the rarely mentioned name of a rare plant disease. But actually, this impending political debate is useful and necessary.

There should be no argument about our resolve to prosecute the Korean war determinedly to a victorious end. But there ought to be plenty of talk about how we got into this mess.

Republicans, being on the outside looking in, have a strategic advantage in this debate. They may properly point to the Democrats as the principal makers of the policies that have led us to Korea. The GOP will be on the offensive and the Democrats on the defensive.

Why were we so unprepared militarily? Why did we allow Russia to conclude, as she must have, that she could win a cheap and easy triumph in Korea? Why did we do so little to halt the deterioration of our general position in Asia? These are the sort of questions the Republicans can rightly pose.

On the other hand, the Democrats may argue with some success that the GOP contributed to our Far Eastern failures. Republican voices sang loudly in the great clamor for the quick disbanding of our armed forces when World War II ended. That disbanding meant a power vacuum into which the Soviet Union rushed.

GOP lawmakers often have stubbornly resisted funds for foreign economic and military aid designed to stiffen the foes of Communism. As recently as this January they helped engineer a delay in money for Korea itself.

And then it can't be overlooked that whatever the responsibility of our two leading parties for the weaknesses revealed in Korea, the Kremlin also had a hand in Asiatic matters. Even had both Republicans and Democrats behaved with extreme wisdom, we might have had trouble. We can influence Stalin, but we can't control him.

In the heat of political battle, the debate may sound highly inconclusive. But when the smoke has cleared, we may find out of the welter of words has come a more definite fixing of responsibility for Korea. The information will stand us in good stead the next time we pick a president.

PLAY IT SAFE OVER THE WEEKEND

"Play it safe by driving safe over the Labor Day weekend," R. B. Maxwell, of Harrisburg, secretary-manager of the Pennsylvania Motor Federation representing 57 member AAA automobile clubs in the state, urges motorists.

Predicting heavy traffic over the long holiday weekend, Mr. Maxwell warns that heavier traffic will bring with it a much greater risk of accident.

The PMF official offers the following three-point program to motorists for a safe weekend:

1. Start early, both on departing for that weekend jaunt and for the return trip in order to remove any necessity for exceeding the speed limits.
2. Don't pass on hills or curves.
3. Observe all stop signs, signals and traffic regulations.

"If every motorist would comply with this program," Mr. Maxwell declares, "we could come through the holiday weekend without accidents."

"Too many motorists are inclined to speed or take needless chances," he continues. "It is this sort of driving that causes accidents which all too often result in serious injuries or even death."

"Another important factor in saving human life and suffering often overlooked or disregarded by far too many motorists is the matter of courtesy," the PMF official states. "Show the same courtesy to the 'other fellow' when behind the wheel as you would expect him to show you."

"Only through safe driving practices and courtesy of the road can we hope to keep accidents at a minimum over the holiday weekend," Mr. Maxwell concludes.

Whatta Life!

Here And There

Here's another tid-bit originating from Pleasant township, that will doubtless be read with much amusement by members of the fire department there, as well as citizens of that community generally. Editor "Here and There": There's a lady over in Pleasant who has reason to appreciate the growing efficiency of the Pleasant Volunteer Fire Department. It seems her grown sons, being of a mischievous nature, planted a smoke bomb under the hood of mama's car. When the missile began to whistle and smoke the lady rushed pell-mell to the telephone to put in a fire call. Rumor has it that the call was relayed all over the township before it reached the chief, but the story is that the fire truck reached the smoke-filled garage before the bomb stopped whistling. Be that true or not it gave the boys a trial run, even if it was heap much smoke and no fire.

According to an article in the Warren Mirror of Saturday, Aug. 30, 1890, elaborate plans had been completed for the observance of Labor Day in the community that year. Says the story: "Monday being Labor Day, recently made a national holiday, the occasion will be fittingly celebrated in Warren by the labor organizations and trade unions of the county. The day will be observed by all, or nearly all who employ labor, and the owners and managers of the many factories, machine shops, stores, etc., have decided to give all who desire it a holiday on this day. Nearly all the business houses in town will close, some not until noon. The banks will also observe the day. The morning will be devoted to receiving visiting organizations and escorting them to Irvine Grove in Pleasant, where a monster clam bake will be held in the afternoon. There will also be an address by A. M. Dewey, a prominent labor man of Washington, D. C., and a public dance in the pavilion on the fair grounds. All are invited to participate in the exercises of the day, and it is hoped there will be a large turnout of the labor classes. At one o'clock there will be a grand parade of organizations participating in the celebration headed by Reig's band. A general good time is expected by all who attend and a cordial invitation is extended to the public."

Western European Defense Is Caught in Maze of Red Tape

BY PETER EDSON

NEA Washington Correspondent

WASHINGTON (NEA)—Rearming of western Germany is now the number one question in planning the defense of Europe against communism. But in dealing with this problem, the main difficulty seems to be a multiplicity of international committees, all of which have some interest in the problem, but none of which seems to have final responsibility.

Anyone who is not completely confused by the present jumble of international committees is either an expert at diplomatic red tape or is not normal. Even the higher-ups inside this maze admit privately that there are too many groups writing memos to each other. What this points to is the need for immediate simplification.

At the top of today's pile is a Council of Foreign Ministers. This is a somewhat loose organization. It was not created by the laws of any participating country. Like Topsy, it "just grewed." Its meetings are irregular and infrequent. Its membership is limited or unlimited to whatever area it may wish to consider.

A Council of Foreign Ministers can be the Big Three—America, Britain and France. Or it can represent the five Brussels Pact nations—Britain, France, Belgium, Netherlands and Luxembourg. Or the 12 Atlantic Pact countries. Or the 15 Council of Europe members. Or the 22 Marshall Plan countries in the Organization for European Economic Cooperation—OEEC.

In spite of all this flexibility, the work of a Council of Foreign Ministers is not to be minimized. It was out of such a council's deliberations that both the Brussels Pact of 1948 and the North Atlantic Treaty of 1949 were born.

The Brussels Pact set up the Union of Western Europe organization for mutual defense, economic, social and cultural cooperation. Chief functionary of the Brussels Pact organization is really Lord Montgomery of Alamein. General Montgomery's title is chairman of the Commanders in Chief of European Ground Forces. His headquarters are at Fontainebleau, France.

The North Atlantic Treaty Organization—now known as NATO—was set up as practically a duplicate of the Brussels organization. Only it takes in 12 countries instead of five. This is what the present, complex NATO looks like:

The real governing body is the North Atlantic Council. It is made up of the Foreign Ministers of the U. S., Canada, Britain, France, Iceland, Norway, Denmark, Belgium, Netherlands, Luxembourg, Italy and Portugal. Secretary of State Dean Acheson is U. S. member.

These big shots have many other things to do, however, so most of their work must be done by a Council of Deputies. Charles M. Spofford, New York lawyer, is U. S. member.

The Council of Deputies is badly named and has other complications. Two groups report to it who really outrank it. These are the Military Committee and the Financial and Economic Committee. Apparently no group can do anything without approval of the others. The Military Committee is made up of the 12 countries' defense ministers. The other is made up of finance ministers—equivalent of the U. S. secretary of Treasury.

Since these ministerial committees can't meet all the time, either they have their deputies. For the Defense Ministers, there is an international Military Production and Supply Board which meets in London. Under the Production Board is a Planning Board for Ocean Shipping.

Germany, whose fate and military status are the subject of so much talk in all these groups, is now only an associate member of the Consultative Assembly of the Council of Europe which has no authority, but just talks and recommends.

But one minor accident occurred during the airport dedication ceremonies and it, far from being serious, resulted in an excellent demonstration of what a pilot can do in making an emergency landing. The plane carrying John Stewart, son of Dr. and Mrs. Paul Stewart, and Bob Smith, also of this city, as passengers on a sight-seeing trip over Warren, was compelled to make a forced landing. The plane landed near the residence of Mr. and Mrs. L. W. Hendrickson, damaging a corner of the front porch.

There were more than 75 planes here for the celebration. The crowd was given many thrills in Sunday's brief program when D. Morgan Hackman took the air in his stunt plane and for about 20 minutes did many daring feats. Mr. and Mrs. L. H. Darling, of Chancellors Valley, were hosts at a gathering at their home to celebrate their golden wedding anniversary.

Miss Alice Anderson, Water street, has received word from her mother, Mrs. Augusta Anderson, that she and Mrs. Ida Wagner, of Barnes, are thoroughly enjoying their trip abroad as Warren county Gold Star Mothers.

The Warren school board committee has decided, after due consideration, to postpone the dedicatory exercises of the new Beatty building until September 12. Public inspection of the building will take place September 13.

The Late Bankers brought the Sunset League to a close for the season when they defeated the Barrette Cleaners 5 to 4 in a thrilling game. Skinny Weidert did the pitching for the visitors, and Bill Smith held forth on the mound for the Barrettes. Solock and Gardner divided hitting honors for the day.

how would you like to live in the "good old days"?

Back in grandfather's time, during the final quarter of the last century, things were quite different. There were no movies, no airplanes, no automobiles, few bathrooms, practically no efficient electrical appliances. If you contracted diabetes or pernicious anemia, your days were numbered. Your blood just "changed to sugar" in the former, "to water" in the latter.

There was little protection against virulent epidemics. Smallpox vaccine was the only biological on the market. When diphtheria or typhoid ravaged a community, there was nothing to do but wait it out in hope and dread.

Yes, a return to the "good old days" would mean, among other things, the sacrifice of the major portion of the contribution of medicine and pharmacy to your health and well-being.

FARM NEWS

Feed Hogs for Market—Right now hogs headed for the fall market should be on full feed, reminds L. C. Madison, extension livestock specialist of the Pennsylvania State College. There's a large number of hogs on feed everywhere. So it is important to keep your hogs gaining weight rapidly and put them on the market before prices drop.

Pasture the Turkeys—Ryegrass and Dwarf Essex are a fine combination for late pasture for turkeys, according to H. H. Kauffman, extension poultry specialist of the Pennsylvania State College. Since both of these crops grow well in cool weather, they produce a lot of feed when other pasture plants are slowing down.

Move House Plants—This is a good time to shift house plants to clean pots and fresh soil, says A. O. Rasmussen, extension ornamental horticulturist of the Pennsylvania State College. Use a mixture of one part manure, two parts sand, and three parts good garden soil in making a suitable mixture for the house plants.

Mill Grain Weevils—When stored wheat feels warm, look for weevils. J. O. Pepper, Penn State

extension entomologist, suggests fumigating with carbon disulphide on a day when the temperature is 70 degrees or above. That will kill the weevils and save the wheat.

Sow Cover Crop—This is the last call to sow ryegrass in your garden to grow a cover crop. J. O. Dutt, Penn State extension vegetable specialist, recommends a half-pound to a pound of ryegrass seed for each thousand square feet. It will improve the soil.

Paint Roofing—Watch galvanized roofing for signs of breakdown. Painting the roof at this stage will be easier than after the roofing begins to rust, says Howard Bingham, Penn State extension agricultural engineer.

The nearly-extinct Nunatagmiut Eskimos of Alaska seldom were able to store up a good winter food supply.

The Diet, national legislative body in Japan, consists of the House of Representatives and the House of Councillors.

Housework Easy Without Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 60 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Smart Buick tip - before your trip!

THAT trip will be more fun, every mile—if you're sure your Buick is at its noble best! Better call your nearest Buick dealer this week about these services:

Safety-check stop lights, signal lights, brakes, front wheel bearings—Inspect tires, complete ignition system, battery, generator—Clean fuel filter, air cleaner, spark plugs—Line up headlight aim, front wheel alignment—Step up performance by checking compression, adjusting carburetor, setting ignition timing—Increase tire life by cross-switching all tires, including spare—Improve ride by Buick's own LUBRICARE, a special "lubrication-plus" maintenance.

Put your Buick in Buick hands

Church Bridal In Youngsville On Saturday, Aug. 26

Mr. and Mrs. Otto Schwanke, Youngsville, announce the marriage of their daughter, Jeannine, to Lt. J/g Charles D. Seekings, son of Mr. and Mrs. C. D. Seekings, Buffalo, N. Y. The seven o'clock candlelight service was performed by the Rev. Birger Halvorsen, Corning, N. Y., brother-in-law of the bridegroom, August 26, in the United Brethren church, Youngsville.

Given in marriage by her father, the bride looked lovely in a floor length white marquisette dress over taffeta, styled with a high neck line. Her fingertip veil fell from a halo of seed pearls, and she carried white mums and gladioli. Her sister, Ann, was maid of honor. Groomsmen were William Abplanalp, Irvine, best man, Kenneth Johnson, Titusville, Joe Giagrecio, Auburn, N. Y., ushers. Immediately following the ceremony, a reception for 85 was held at the National Forge club house at Irvine. Attired in twin tan gabardine suits with wine accessories, the couple left for a wedding trip through Canada.

August Winners In Women's Golf Are Announced

First division honors in the August Handicap Golf tournament of the Conewango Valley Country club were won by Mrs. William Fuelhart with Mrs. David Beatty as runner-up. Mrs. Harold Banghart was the first division consolation winner.

Mrs. John Duesing won the second division, with Mrs. W. J. Sedwick as runner-up, and Mrs. Robert Ritchie, consolation winner. Because of the large number of entries in this division, Mrs. George Calderwood was awarded a consolation runner-up prize.

The third division ended with Charlotte Jones in first place, Mrs. Inez Wilkins, runner-up, and Miss Guinevere Knapp, consolation winner.

In the weekly tournament of hazards and putts, Mrs. Toby Lyons won in the first division, Mrs. W. J. Sedwick, second, and Mrs. Stan Korb, third division. Mrs. W. O. Lawson won low gross for the field and low net in the first division. Second division was taken by Mrs. Robert Walsh, and Mrs. Fred Emhardt won the third division. Non-winners of major prizes will compete for prizes in next week's tournament.

WEINER ROAST HELD AT RISTAU COTTAGE

Thirty five members of the Dorcas class of the First Lutheran church met at six o'clock Monday evening for a corn and weiner roast at the Ristau cottage on the Allegheny. Following the meal, an old fashioned "sing" was enjoyed by all present. Vera Wood was accompanied with her accordion, and all reported the outing a most successful one.

Plans were completed for the regular monthly meeting of the class to be held in the parish house on Thursday evening, September 7, at which time the following committees will be in charge: entertainment, Emma Young and Bernice Swanson; refreshments, Gertrude Nelson, Ida Beary, Sarah Jones and Olive Soderberg.

FOR GLORIA KOEBLEY

Mrs. P. D. Bean, 18 North Irvine street, entertained at a miscellaneous shower on Monday evening to honor Miss Gloria Koebley, whose marriage to Jack Bean will take place on Saturday, September 2, at two o'clock in the First Methodist church. The honored guest received many lovely gifts, and a delicious buffet lunch was served.

Family Reunions

ATKINS FAMILY

The Atkins 80th annual reunion will be held Saturday, September 2, at the Falconer village park. Dinner will be served at one o'clock. Coffee, cream, sugar and ice cream will be furnished.

PUTNAM FAMILY

Lander, Aug. 30—The 54th annual reunion of the Putnam family was held August 28 at the Thompson Hill school house with sixty two in attendance.

A picnic dinner was enjoyed at noon, after which Clair Putnam, the president called the business meeting to order.

The minutes of the first reunion which was held at the Perry Putnam home was read.

The historians report showed four marriages, six births and four deaths during the past year. Officers elected for next year were Clair Putnam, president, Everett Clark, vice president, Hazel Kays, secretary and treasurer, Inez Gregory, historian.

A motion was made to hold the 1951 reunion at the Lander Community the fourth Saturday in August.

Ice cream and cake were served to conclude a pleasant day.

Members were present from Erie, Grand Valley, Warren, North Warren, Stoneham, Russell, Lander and Oceanside, N. J.

Laboratory tests have proven the insulation value of three inches of wood to be greater than 12 inches of common brick or 20 inches of concrete.

'Back To School' Is Theme of 'Y' Dance

"Back to School" has been chosen as the theme for the special dance being held at the YMCA this Friday evening in connection with the opening of schools next Wednesday.

There will not be the usual swim from 8 to 9 as at the Canteen Parties, but dancing will be held in the gym from 9 to 12 with the Canteen Orchestra furnishing the music.

An interesting floor show is being arranged by those in charge to make up a full evening of entertainment.

C. V. C. C. LUNCHEON

There will be a two-ball four-some on Monday, September 4, at the Conewango Valley Country Club. The annual luncheon will be served at one o'clock, and members are reminded that today, Thursday, is the last day that reservations can be made.

Associate Pastor at First Lutheran Is Leaving With Co. 1

Pastor McCurtis W. Allison, associate pastor of First Lutheran church, will be mobilized next Tuesday with the 112th Infantry Regiment of the Pennsylvania National Guard in preparation for training at Camp Atterbury.

The Rev. Mr. Allison came to First Church in June, 1947, after being graduated from the Gettysburg Seminary of the United Lutheran church. In the same month he was married to Miss Cecelia Moyer, of Philadelphia, who served until recently as program director at the YWCA.

Pastor Allison has concentrated his work on the educational and youth work at First Church. In addition to conducting services in the local church, he has held monthly services at the Starbrick chapel. He has spent considerable time working among Lutheran patients at the North Warren State Hospital. His fine contribution to the program of First Church will be missed and it is hoped that an early solution of the international and military situation may enable him to return to the Warren church. He will preach Sunday at the eleven o'clock service at First Church.

The local minister has been an active member of the Junior Chamber of Commerce.

Pennsylvania Gas Stock Is Sought By National Fuel

Oil City Derrick: The National Fuel Gas Company proposes to purchase large blocks of Pennsylvania Gas Company stock from the estate of late Mrs. Mary C. Jefferson of Santa Barbara, Calif., former Franklin resident, who bequeathed substantial sums to the Franklin hospital and the Franklin Cemetery Association.

The National Fuel Gas Company of New York City has applied to the Securities and Exchange Commission for permission to increase its holdings in the Pennsylvania Gas Company, which serves the Jamestown, Warren and Erie sectors. The SEC has given objectors until September 5 to demand a hearing.

The estate of Mary C. Jefferson of Santa Barbara, Calif., has offered to sell 24,000 shares of PGC common to National for \$16.50 a share. This means a total of \$396,000.

National already owns 52.53 per cent. of PGC's outstanding stock and the Jefferson block would increase its holdings to 56.7 per cent.

In its application, National points out that among its domestic subsidiaries it lacks 100 per cent. ownership only in PGC.

The parent company said the Jefferson block represents the first large holding to be offered for sale for many years and also notes that the agreed price actually is below recent sales prices of the stock.

Commander of the 112th Infantry To Retire on August 31

Erie—Col. Kenneth M. Momeyer, commanding officer of the 112th Infantry Regiment, Pennsylvania National Guard, will be retired on August 31 after more than 33 years of army and national guard duty.

Lt. Col. Adam J. Dreibelbie, present regimental executive officer, will succeed Momeyer and will lead the guard unit to Camp Atterbury, Ind.

Lt. Col. Thomas Hillard succeeds Dreibelbie as regimental executive officer. Hillard and some 185 other officers and men were inducted into the army today so that administrative work could be cleared for the transition from national guard to army status.

Today's induction order included some 40 Erie officers and men. There is a strong indication that

Momeyer, who is also city finance director, will be promoted to brigadier general before his retirement. He will receive no pay after retiring.

Before learning of the retirement order, Momeyer Friday took the army physical at the national guard armory and passed successfully. He was retired because he is over age and a regimental commander.

Lt. Col. Dreibelbie, who lives at 221 Lake avenue, Erie, was with the 112th Regiment when it went to France in World War II. He was severely wounded during the campaign in France but has passed stiff army physicals held at the armory this week.

Dreibelbie left the army only last June 1. He went to work at the General Electric Co. as an administrative supervisor. He will resign this post when he and the remainder of the guard contingent are inducted on September 5.

Momeyer, who saw service in both wars, retires almost 33 years to a day when he first entered the guard. He volunteered for duty on August 27, 1917; he retires on August 31, 1950.

Mackenzie's Column

By DEWEET MACKENZIE
AP Foreign Affairs Analyst

The furor which has developed over the message from General MacArthur to the Chicago encampment of Veterans of Foreign Wars is unfortunate—and it could be dangerous.

By dangerous I mean that MacArthur's position as America's number one man in the Far East might be seriously weakened if Asiatic peoples placed a wrong interpretation on what has happened. Should they get the impression that the general has suffered a rebuke from his president, it could work out badly.

The White House announced that Mr. Truman had directed General MacArthur to withdraw the statement on Formosa "to avoid confusion as to the United States position."

The statement declared that the safety of America depended on Formosa remaining in friendly hands. This didn't conform to the administration policy that Formosa's future must be settled at the international level.

The general promptly complied but the call for withdrawal came too late. The statement already had been widely distributed in advance for publication and it was impossible to stop all the wheels. The story was out.

I asked a Chinese friend (a Nationalist official) what he thought the effect of the development would be in Asia. He hesitated, and then said:

"No damage will be done in Na-

tionist China. We understand Washington methods. However, if the impression got about behind the iron curtain that MacArthur had been rebuked by his president, it would give the Reds another chance to knife the general.

"You see, the matter of 'face' (you call it 'prestige') is involved. We of the Orient attach much more importance to face than does the western world."

What MacArthur said about Formosa in his statement was in substance what he had said before. It also represented the consensus of many western military experts.

The general asserted that "we may have peace" by holding the Pacific defense line of islands—including Formosa, which is the key spot—but lose that line and "war is inevitable."

This MacArthur sensation undoubtedly attracts more attention because it comes on the heels of the controversial statement by U. S. Navy Secretary Matthews in a Boston speech. He said that "to have peace we should be willing, and declare our intention to pay any price, even the price of instituting a war to compel cooperation for peace." The American state department repudiated this statement, and both Britain and France rejected any such idea.

So MacArthur is getting the backwash of this previous upheaval. And the dispute involving Washington administration and military leaders over policy waxed hot.

Naval Secretary Is Target For a Blast From Rep. Gavin

Washington—(P)—The Boston speech of Secretary of the Navy Matthews was "a smoke screen to cover his past mistakes," Rep. Gavin (R-Pa.), a member of the house armed services committee said, replying to Matthews' statement that the United States should go to war if necessary "to compel cooperation for peace." Gavin said:

"In my opinion, this sensational statement is merely a smoke screen to cover his past mistakes, an effort to direct the American people's thinking away from his failure to back up and support the navy, navy-air and the marine corps with the B-36 investigation in August of last year.

Investigation by the house armed services committee into the defense department purchases of aircraft. Critics contended the department was concentrating on the air force at the expense of the army and navy.

Admiral Louis Denfeld was fired as chief of naval operations for his outspoken criticism of the defense department policies.

Gavin said Matthews listened to the B-36 testimony and had his chance "to back up the navy," but "definitely muffed it."

"What happened?" Gavin continued. "The carrier (the super-carrier United States, then under construction) was cancelled, the fleet was mothballed, navy-air was cut back, the marine corps skeletonized and Admiral Denfeld fired."

"The secretary's blind, unreasonable thinking is the cause for us now desperately trying to get the fleet back into action."

Gavin said that if Matthews "remains where he is," he should "stick to his job and quit making speeches to muddy up the waters."

Bids will be received until 9:00 A. M. Sept. 8, 1950 at Superintendent's office for a radio-phonograph.

Special Service Planned By Church in Youngsville

Youngsville, Aug. 30—The Irvin and Youngsville Methodist churches will observe the Lord's Supper in their worship services at Sunday morning. Rev. E. W. Chitester, pastor, will conclude the fifth year of his pastorate at this Sunday's services. At six o'clock the Youth Fellowship will meet at the parsonage for their evening meal and a devotional service. Those attending will bring flowers or turkeys as they desire. A fire for roasting will be provided. All youth of the Youngsville charge are invited to this evening meeting of the new conference year. Miss Irma Jean Carlson is president of Youth Fellowship and Miss Ardelle Johnson, first commissioner will be in charge of devotionals Sunday evening.

During the past conference year the charge has received thirty new members. All benevolences have been raised and a full report rendered to the annual conference. Eleven adults and eleven children were baptized. The interiors of the Irvin church and the Youngsville church were re-decorated. The basement at the Youngsville church was repainted and re-decorated. At Irvin the entire church basement is being re-decorated at this time.

The Youth Fellowship at Youngsville drew youth from Irvin and Garland and closed the year with a good cash balance and much other work accomplished. The Sunday Schools at Irvin and Youngsville averaged the same as the previous year in their work from week to week.

Rev. E. W. Chitester, with Mrs. Arthur Hamblin, lay member, and Mrs. Chitester, will leave for conference at Meadville on Wednesday, September 6. Sunday, September 10 is conference Sunday. Sunday school will be the only services held that Sunday on the local charge.

Homecoming To Be Held at Scandia
The 20th annual Elk Township

Homecoming will be held at Scandia on Labor Day, September 4. The program will open with a business meeting, a song fest and other special features at 10:30 a. m. in the church. At noon, a lunch will be served

by the Mission Church Ladies Aid, and this group also will sponsor a bazaar. Highlight of the homecoming will be a Farmers' parade at 1:30 o'clock, followed by a sports program, a water battle by the Rus-

sell Volunteer Fire Department and a ball game. Antimacassars derived their name from the protection they gave chairs from macassar oil, formerly used as a hair dressing.

Additional Wards Are Organized For Local Blood Donors

Now fully organized for the Blood Donor door-to-door campaign in Warren are wards 1 and 2. Mrs. Cecil L. Henderson captains the first ward and has named as her assistants Mrs. Geary Bean, Mrs. Anna Thorpe, Mrs. Ralph E. Anderson, Mrs. Charles A. Babcock, Mrs. Marian E. Berg, Mrs. Loyal K. Briggs, Mrs. Kenneth M. Christensen, Mrs. Thomas K. Creal, Mrs. Joseph H. DeFrees, Mrs. Felix N. Dobbs, Mrs. Thomas F. Eagan, Mrs. Merle M. Graham, Mrs. Howard B. Grotzinger, Mrs. Herbert N. Hagstrom, Mrs. Jane Hetherington, Mrs. Richard H. Hines, Mrs. Charles H. Lias, Mrs. John A. Mihaliko, Mrs. John A. Newmaker and Mrs. Charles R. Tranter.

Heading the second ward is Mrs. John R. McLaughlin assisted by Mrs. Randall W. Clark, Mrs. P. F. Collins, Mrs. David W. Crosssett Jr., Mrs. Palmer L. Davis, Sr., Mrs. Wayne C. Helmbrecht, Mrs. Guilford C. Jones, Mrs. E. K. Rogers, Mrs. Robert Whitehill and Mrs. Clarence H. Wilkins.

These civic-minded Warren women have started a program destined to contact personally every citizen with the aims of the National Red Cross Blood Program and to sign as many blood donors as is possible. The Red Cross Bloodmobile will operate from the Warren State Hospital with North Warren residents prepared to do a big job on September 18. The blood collection will return to 404 Market street again in October.

When a person signs a pledge to donate blood, he may not be called upon immediately. Many names are needed to fill a reserve list for future bloodmobile visits. Blood collected by the Red Cross throughout the nation is being used for medical purposes in Korea and for civilian use here at home.

Everyone is urged to receive the message your block worker has for you—an hour's time, a pint of blood, may mean a life-time to somebody else.

Selection Starts Of Army Reserve Medical Officers

Harrisburg—(AP)—The state medical society has started selection of 81 army reserve medical officers in Pennsylvania to meet the immediate needs of the armed services.

A statement said the society is acting at the request of the Second Army Headquarters in picking the state's quota and expects additional quotas in the near future.

The society's committee on procurement and assignment headed by Dr. M. C. Spayer, Carlisle, is checking records of the state's 1,033 medical reserve officers for the purpose.

Selection will be made on the basis of years in service, overseas and domestic, number of dependents and age.

"There is a definite emergency to be met," Dr. Spayer said. "However, we do not want to work any hardship on either doctors or communities. All deferments of medical officers must be initiated at the local level."

STACKPOLE COMPANY OFFERS WAGE BOOST

St. Marys, Aug. 31—(AP)—A company wage offer provides a four-cent an hour increase for 3,000 workers at the Stackpole Carbon Company. Union officials expect workers to accept at their next membership meeting.

The company made the offer under a wage reopening clause in the contract which the company and the CIO-International Union of Electrical Workers signed on June 5. The company has plants at St. Marys and Johnsonburg.

CHARLEROI FIRE

Charleroi, Aug. 31—(AP)—An oil-fed fire that covered uptown Charleroi with a dense smoke pall caused \$15,000 damage at the H and B Chevrolet Company garage yesterday. The blaze originated from spontaneous combustion in the paint shops of the garage.

Joe looked anxiously at the dummy and saw that a heart ruff would give Lou a chance to ruff in dummy and discard from his own hand. Joe therefore returned the jack of diamonds.

This was just what Lou had been hoping for. He had made up his mind to play the diamond honors to be split. He therefore won in dummy with the king of diamonds and returned a diamond.

Joe was correct as far as he went. It was perfectly true that he would give declarer a ruff and sluff by returning a heart. However, this would not allow Lou to make the contract since Lou would still have a losing diamond in

each hand.

It should have been easy for Joe to count the hand out. He knew that declarer had started with five trumps and one heart. The club situation was also quite clear since East carefully discarded the 13th club on the trump trick that was given to West.

This made it obvious that Lou had four diamonds in his own hand as well as four diamonds in

dummy. One discard from each hand could not help declarer much. Joe should therefore have returned a third round of hearts.

**JOE SHOULD LEARN

By OSWALD JACOBY
Written for NEA Service
"Nicely played," said Luck Joe.
"Thanks," said Larceny Lou

"Why don't you stop?" a East irritably. "You steal the teeth out of our heads and you have the gall to thank us it!"

Joe looked bewildered, and looked the other way. Lou swindled Joe so neatly that he didn't know what had happened.

Hard Luck Joe, holding West cards, opened the king hearts. Larceny Lou won dummy's ace and cashed the king of spades, hoping to the queen. When it became

trick, Lou cashed three rounds of

County Bookmobile Meeting Is Success

General enthusiasm was the keynote of the county-wide Bookmobile meeting in the North Warren Community House this week. There was a wide representation from far points in the county as well as communities close at hand, in spite of detours, distances and conflicting engagements.

A large group was waiting to make an inspection tour of the beautiful Bookmobile from Portage county, Ohio, when it pulled up in front of the building. Mrs. James Clelland, head librarian, and Robert Greene, driver clerk, had travelled 166 miles from Hiram, O., for the county meeting.

Lack of space prevents printing today a complete story of the meeting, details of which will appear later.

Lightning Stuns Woman In Home Near Titusville

Titusville Herald: A bolt of lightning narrowly missed striking a woman in this region at 1 a. m. Tuesday.

Mrs. James Roberts, a widow who lives with her nephew, James Cornell, about 12 miles north of Titusville on the Spring Creek road, was not injured but she suffered from shock.

Concerned over the severity of the storm which was raging outside after midnight, she came down to the kitchen from her upstairs bedroom.

Mrs. Roberts leaned over the kitchen sink to look outside, then she walked to another part of the room. Just after she walked away the lightning ripped into the kitchen along a wire and shattered a large round mirror over the sink.

Pieces of glass were scattered on the floor, the largest being about one by four inches. A comb case under the sink and the nails supporting it were not found.

The electric light over the sink was burned out. There was some smoke, but no fire followed.

Her nephew took Mrs. Roberts to the home of her son, Earl, at Route 3, Spartansburg. She did not recover from the shock for three hours, but felt fortunate she was not badly injured.

Earl Roberts, an electrician, went to the Cornell home to check the wiring thoroughly but discovered no further damage.

Floors of some railroad passenger cars are now made of plywood.

Large Block Of Pennsylvania Gas Stock Transferred

Washington—The parent company of the Pennsylvania Gas Company of Warren wants to increase its holdings of PGC stock and already has an option of 24,000 shares of outstanding common capital stock.

The National Fuel Gas Company of New York City has applied to the Securities and Exchange Commission for permission to increase its holdings in the New York-Pennsylvania border utility which serves the Jamestown, Warren and Erie sector. The SEC has given objectors until September 5 to demand a hearing.

The estate of Mary C. Jefferson of Santa Barbara, Calif., has offered to sell 24,000 shares of PGC common to National for \$16.50 a share. This means a total of \$396,000.

National already owns 52.53 per cent of PGC's outstanding stock and the Jefferson block would increase its holdings to 53.7 per cent. In its application, National points out that among its domestic subsidiaries it lacks 100 per cent ownership only in PGC.

The parent company said the Jefferson block represents the first large holding to be offered for sale for many years and also notes that the agreed price actually is below recent sale prices of the stock.

The SEC also was asked to permit National to buy any other PGC stock that might be offered within 20 days after the SEC approves the Jefferson purchase. Then National also has permission of its directors to purchase up to 20,000 shares thereafter, but National's top price will be \$16.50.

The Nation Today

(Editor's Note: This is the third of a series explaining the big changes voted by congress in the Social Security program. They can't become law unless the president approves them. It seems certain he will. Therefore, these changes will be treated as if they had become law. It is suggested that anyone following this series save the individual stories. Repetition will be avoided where possible in the successive stories.)

By JAMES MARLOW

Washington—(AP)—Two big changes on old-age pensions have been made in the Social Security program.

1. Pensions are being increased for everyone now receiving them and all who'll receive them in the future, without exception.

2. The rules have been softened to let more old people get pensions more easily, about 500,000 almost immediately.

Take them separately.

Pensions—
Pensions will actually be raised twice in the next two years: On Sept. 1, 1956 and again, still higher, on July 1, 1957.

Those now on pension or who go on pension before July 1, 1957 will share in the increase which starts Sept. 1, this year. They will not share in the still higher rate starting July 1, 1957.

Only those going on pension after July 1, 1957 will benefit by the further increase that goes into effect on that date.

Until now old-age pensions have ranged upward from \$10, the lowest anyone could get, to \$46, the most for any retired worker. The average pension has been \$26.

Starting Sept. 1, pensions will be raised all along the line, with the minimum raised from \$10 to \$20 and the maximum from \$46 to \$68.50. The average then will be \$46.

Then, starting July 1, 1957, while the new minimum remains at \$20, the maximum for a retired worker going on pension after that date will be \$80. That's the limit, unless congress boosts it some more in the years ahead.

But what will be the average pension for a retired worker after July 1, 1957? Social Security experts figure it will be \$50 a month for a retired worker and will remain there for years.

The rules have been softened for old people—
Although it was created in 1935, the old-age pension system didn't get under way until Jan. 1, 1937, or, after 1936.

In this month, August, a man who reached 65 and wanted to retire couldn't get a pension unless he had worked in a covered job approximately seven years since 1936.

But now a man of 65 can get a pension, starting Sept. 1, if he had worked in a covered job only 1 1/2 years since 1936.

Of course, the size of the pension for a covered worker depends on several things:

How long he worked on a covered job since 1936—and therefore paid his tax—and what his average earnings were in that job.

Probably most of the old people who now can get a pension with only 1 1/2 years' covered employment, their credit will be only the \$20, the least that can be paid anyone, or maybe \$25.

Psychologists Will Meet Next Week At State College

State College—New findings in research and current problems in psychology will be discussed in more than 400 papers to be presented at the Pennsylvania State College next week when the American Psychological Association holds its 58th annual meetings.

The meetings, which will be attended by more than 300 psychologists from all parts of the United States and Canada will open Sunday afternoon and continue through Friday. The conference will meet daily.

Reports will cover all of the different psychological specialties: experimental, psychological, social, clinical, vocational, educational, industrial, child, personnel, and counseling.

Dr. J. P. Guilford, of the University of Southern California, Los Angeles, Calif., is president of the national organization and will deliver his presidential address on "Creativity" Tuesday night. On Thursday night, he will present his annual report.

Dr. Donald B. Lindsay, professor of psychology at Northwestern University, Evanston, Ill., is chairman of the convention program committee while Dr. Bruce V. Moore, professor and head of the department of psychology at the Pennsylvania State College, is chairman of the local arrangements committee.

Portion of State Corn Crop Facing Extensive Damage

Harrisburg—(AP)—The possibility of serious losses in the 1956 corn crop in central Pennsylvania loomed before state agriculture department officials.

In its weekly weather and crop summary, the department said that unless hot weather continues corn may not mature to the point where it can withstand early killing frosts.

The department said some corn for grain may be affected in northern counties also, while tobacco growers are getting "anxious about maturity before frost."

The late start of warm summer weather was blamed for the slow development of the crops.

In addition to corn and tobacco, some potatoes, fruits and truck crops also were reported developing slowly. But combining of wheat in the north now is complete.

Plowing for all planting was reported "well along" in most sections with pastures "somewhat improved," except where rainfall has been deficient in recent weeks.

The department said most fields of buckwheat are well developed, processing of sweet corn is underway, harvesting of cannerly tomatoes is near its peak and harvesting of second growth clover and alfalfa is already nearing completion in northern counties.

Inadequate rainfall has slowed the sizing of fruits in the southeast, the department said, but the processing of apples in southern counties has begun and harvesting of the important Elberta peach crop also has started.

EAGLES SHATTER THE RAMS BY 49-14 SCORE

Los Angeles, Aug. 31—(AP)—The Los Angeles Rams picked up the pieces of their broken football team today and the television sponsor of the National Football League games here had reason to worry.

The mighty Philadelphia Eagles shattered the Rams, 49 to 14, and played every minute like the champions they are. Today they flew on to Little Rock to play Detroit Saturday.

The television sponsor collected a headache, too. The turnout in Memorial Coliseum's 101,000 seat arena numbered 24,119.

The Rams, prior to the season, expected no less than 50,000. Under their contract with the TV sponsor, their losses on the basis of past attendance figures must be made up. Individual game figures were not divulged but they were guaranteed \$575,000 for the season's slate of games.

All-Star Midget Game Is Scheduled

A clash between two Hot Stove All-Star Midget squads has been scheduled for Friday night at Jackson field, near the Warren airport, starting at 6 o'clock.

Opponents will be an Eastern Division Midget squad and the stars from the Western Division.

The Easterners will be under supervision of Joe LeTrent, who piloted the Sports team to the Midget League championship. Don Cummings, whose Sons of Italy squad won the Western Division two years in a row, will pilot the Western squad.

Preliminary work is under way to schedule a similar all-star series for the Intermediate League, and an All-Star Junior team to battle Faddies, unbeaten Junior champions.

The American Federation of Labor was founded in 1881.

SPORTS ROUNDUP

By HUGH FULLERTON, JR.

New York—(AP)—The exciting American League pennant race is threatening to gum up the pro football schedule even more than usual. A note from the football Yanks' office points out that they're prepared to move their Sept. 29 game against Detroit and the Oct. 8 game against Green Bay to later dates if the baseball Yankees should win the pennant. Similarly, the Detroit Lions have a game scheduled in the Tigers' ball park Sept. 24 and another Oct. 8. The Cleveland Browns are at home to the football Giants Oct. 1 and the Philadelphia Eagles are slated to play in Shibe Park Oct. 8. Maybe they could find other spots for some of these games to protect the delicate infield turf, but if they can't, it means playing mid-week games later in when the teams will be busy every Sunday.

Maybe the footballers are rooting for a Boston-Brooklyn series.

Peek From the Peak
Clyde Lovellette, towering Kansas U. basketball center, has caused a change in an accepted engineering practice. When a theater in Lawrence, Kas., undertook extensive repairs, the customary peep-holes for "sidewalk superintendents" were cut in the surrounding fence. At different heights, they were marked for kids, adults, out-of-town guests, etc. And far above the rest, six feet six inches from the ground, was a special slot marked "Lovellette."

Sports Before Your Eyes
As part of his training regime (to keep his weight up) Willie Pep drinks several bottles of beer a day. That oughta make it easy for him to win on pints. The Texas U. publicity dept. is working overtime to get the Longhorn footballers off the spot of being pre-season favorites. Latest release says the "Seer Suckers" have picked the champ only three times in 16 attempts. In the other direction, Southern California reports that Soph back Al (Hoagy) Carmichael is "the best big kid with speed we've had since Morley Drury." Sounds like somebody was getting stardust in his eyes.

TO ENTERTAIN TEAM
The Western Auto team, East Side Intermediate squad, will be guests of its sponsor, the Western Auto Associate Store, at a dinner meeting this evening at 6 o'clock in the Blue & White Restaurant.

DUFF SPEAKS BEFORE CO. COMMISSIONERS
Pittsburgh, Aug. 31—(AP)—Pennsylvania, with its large industrial capacity, carries a great responsibility in the present war crisis, according to Governor James H. Duff.

Speaking at the closing session of a convention of the Pennsylvania State Association of County Commissioners, the governor said it is impossible to overestimate the seriousness of the world situation.

He told the commissioners Pennsylvania is actively engaged in planning civil defense by tapping able leaders to organize the program on a broad scale.

Hunches Pay Off For Yanks Twin Bill With Detroit Tigers

By The Associated Press

Hunches that clicked helped the Yankees sweep a doubleheader from Cleveland yesterday and boost them to the top in the seething American League race.

The Yankees needed some clutch hitting by Johnny Mize, Phil Rizzuto and Tommy Henrich. The fine pitching of Tom Ferrick and Ed Lopat also played a large part in the 4-3 and 3-0 victories that gave them a one-game lead over the Detroit Tigers.

But if Casey Stengel hadn't followed his hunches those things might never have happened. Until an hour before play began, Stengel wasn't sure whether he was going to play Mize at first base. Then he recalled that Mize had hit a couple of homers off Bob Feller, who was due to pitch for Cleveland in the opener.

All the former Giant slugger did was slam a pair of homers, one in each game. He also collected two singles and drew the walk in the eighth inning that eventually turned out to be the winning run.

Hunch No. 2 came in the eighth inning of the first game. Eddie Ford, the little lefthander, was shaken up in a collision with Cleveland's Luke Easter.

Stengel thought Ford was favoring his right side. He promptly replaced Ford with Tom Ferrick. The veteran reliever proceeded to stop the Indians cold the rest of the way as the Yankees broke a 3-3 tie in their half of the eighth.

Hunch No. 3 came in the same bottom half of the eighth. Mize had walked Stengel sent in Joe Collins as a pinchrunner. After Hank Bauer flied out, Collins stole second. That necessitated an intentional pass to set up a possible double play. Casey sent in Henrich as a pinch hitter, and he surged to score Collins with the winning run.

Stengel didn't need to resort to hunches in the second game as Eddie Lopat throttled the Tribe with six singles. It was fifth straight over Cleveland.

The Yankees one game was accomplished when W. ton's Senators held the Tigers to a split in their header. The Senators' opener in 11 innings, 3-2. Sam Dente singled off Fr. Chins to score Sam. Me. Church League To Open September 11

The Church Tenpin Bowling League has completed plans for opening the league season at the North Warren Bowladrome on Monday night, September 11, at 9 o'clock.

It was announced that the loop will operate with 10 teams this season, and that one more team is needed to round out the full roster. Any team interested may phone D. H. Lay, Youngsville 2-2241.

League representatives, at a meeting in the Bowladrome this week, also adopted a penalty rule for teams or individuals who are tardy.

Final plans for the season will be completed at a meeting of team captains at the Bowladrome on Monday night, September 11, at 8:30 o'clock.

Louis At Pompton Lake Training Camp

New York, Aug. 31—(AP)—If Joe Louis still has the old "it," look for the Brown Bomber to do another cleanup job on the heavyweights.

This time there won't be any pieces around for anybody to pick up. It's a big "it," though.

"If I win and fight again," said Joe as he arrived to set up training quarters at Pompton Lakes, N. J. "I want to do it quick. In December, or January at the latest."

The "unretired" heavyweight champion's first and biggest test comes against Ezzard Charles, the NBA heavyweight boss, in Yankee Stadium Sept. 27.

If, and here we go again, Joe can get by Charles, then he can get past anybody in the heavyweight league today.

That would bring him up against Lee Savold, the Englewood, N. J., veteran who is recognized in Britain and Europe, as the king of them all, the Rocky Marcianos, the Roland La Starzas, the Cesar Brions, and you name 'em.

Hal Boyle's Comment

By HAL BOYLE

Korea - (AP) - A soldier has to find some way to kill the boredom of battle.
One day I visited a forward command post in a gully near the Nakdong river. The position had been heavily shelled and mortared all day. One shellburst a half hour before had killed an officer and wounded his driver.
Those in the gully were hunched against its sides for protection and their eyes held a tense expression. But one soldier across the way was leaning comfortably against the bank and frowning intently at a paper-bound book.
I started to walk across to him. A shell hit some hundred yards or so behind us just then.
The gully seemed suddenly wider and barer than a six lane freeway.
"What are you reading?" I called.
The soldier, Cpl. Lloyd A. Hahn, of Baldwin Park, Calif., got up, brushed off some dust and strolled unconcernedly over to where I crouched.
He held out a comic book called "The Batman." I asked him if it was very exciting.
"Just so-so," he said placidly, "but it helps fill in the time." Then he strolled back leaning against the bank and read on in search of adventure.

There was a kind of symbolism in another book I saw on the desk of a Major General the day one of his regiments had been roughly handled by the Reds.

It was "Tomorrow Will Be Better," by Betty Smith.

"I haven't had a chance to look into it yet - been too busy," said the general grimly. "But I sure like the title."

There are almost endless stories of narrow escapes during the seasaw battle for "Atrocious Hill," north of Waegwan on the Nakdong River line. Some are almost unbelievable such as the story of two men who escaped by temporarily joining the Reds.

"Two of our boys got lost during a night," recalled Cpl. Wade M. Young of 307 Durobin St., Port Wentworth, Savannah, Ga.

"A column of enemy soldiers came by and they fell into line with them. They didn't know what else they could do.

"They marched for about an hour until they saw a familiar landmark - dropped out of the column and made their way safely to our lines."

Lt. Donald Munro of 3535 South Lowell St., Chicago, told of four other First Cavalry Division troops who were held prisoner for 20 minutes and then saved by a counterattack while their captors still were arguing over whether to kill them.

"The Gooks" look away their shoes, cigarettes, rifles and ammo," he said. "They also took a Bible from one man but after looking at it a moment gave it back.

"One man said he heard them mention President Truman and another say, 'No kill.'

"But before the Reds could make up their minds our troops dove back and chased them away."

Other American prisoners on Atrocious Hill weren't so lucky. Between 40 and 50 were shot to death by the retreating Reds.

Troops at the frontline have to strip down to the barest essentials gear. Only the things that help a man stay alive and fight can be carried into the assembly lines of the industry of death.

But a soldier in one outfit who is an ardent golfer insisted on taking a golf club to battle. Most days he manages to get in about an hour of practice drives.

When ever he comes to a cucumber patch he puts down his pack and nonchalantly tees off - using the cucumbers as golf balls.

There is no need to cry "for" as the course is quite uncrowded.

HAIRCUTS UP
The price of a haircut in Warren will jump tomorrow from the present 85 cents to \$1. It was announced today by the Warren barbers' Local 273. The price for a shave will be raised from 50 cents to 65 cents. Haircuts for children under 12 will be 35 cents, except for Saturdays and the days before holidays, when the \$1 price will be charged. The price hike will be made in 16 union barber shops in the Warren area.
